preparation of the estimates.

In that connection, the Muznai Cmte has sent up a statement of Mattu and Brindabanams.

9. (11uz524-25)

According to this statement, the total of Ready money Grants Cmte Rs 65,786-5-0, while the amount provided in the Budget is Rs 60,118/ for which details are requested.

The difference was explained by the Muz Cmte to be due to the fact that the Budget figures were based upon the average expenditure actually incurred in the previous years.

Or may the Hon'ble Minister be asked to give the details of the figure mentioned in the memorandum ?

[The totals of the figures in the statement is Rs 65,786-5-0 & not 60,118 Rs which is being mentioned in the budget for this year]

The following alternative replies are suggested for consideration

(1) = A Statement showing the details of Ready money grants & Mats and Brindavanams is placed on the table. The difference between these totals and the Budget allotment is due to the fact that the latter is based on the average of actual expenditure in the previous years"

The list of Mutts in receipt of ready money cash grant is rather a long one and Government are not therefore prepared to have it printed and placed on the table. A copy of the list will however be made available to the Member for reference if required.
